My children attend this school but this I don't see as a conflict with those of the governing body

I wish to put on record that what I have said in the past and what I may say in the future (at Governors' meetings or on other occasions in my role as Governor) is not to be taken by the Governing Body as a professional opinion or given in the capacity of a *MA* (For example: solicitor, building surveyor, personnel manager, accountant, etc.) to the Governing Body.

The Governing Body must in all circumstances (without further comment from me) make a decision as to whether to obtain specialist / professional advice.
